

Facilitation training

Achieving results in the group in a focused way

Seminar objective

Learn to facilitate meetings and discussions in a professional, structured and confident manner. Use the contributions and expertise of all participants to lead the group to a successful result, that can be visually documented. Learn how to facilitate the forming of opinions and agreement within groups. Both the group outcome and the participant's satisfaction increase with the successful use of the right methods. This course is based on practical case studies, that can help you understand and improve your facilitation skills.

Seminar content

Lead groups to the goal with the moderation method:

- Use the moderation method in your work environment
- How do you see yourself as a moderator: Appearance in front of the group
- Role flexibility of the moderator
- Conflict: Behavior in difficult moderation situations and with difficult participants

Applications in practice:

- Case studies
- Transfer to everyday life
- Improving moderation skills through targeted feedback

Facilitation techniques:

- Setting the framework: Rules for the joint discussion
- Questioning techniques to actively shape group work: how does facilitator behavior influence the mood of the group?
- Group activating methods: How do I promote a positive mood in teams?
- Visualization: visual preparation of information
- The interaction between moderator and group
- Moderation in conflict situations
- The development of group results
- The non-direct discussion technique
- Emotional processes in groups

Focusing on the participants:

- Phases of team discussions: Focus on the outcome
- Preparation and implementation
- Securing results and minutes
- What to do if no discussion takes place?
- Perceiving behavior, interpreting correctly, reacting effectively
- Dealing with disruptions in the group
- Dealing with critical participants and listeners

Methodology

Video examples Practical examples Moderated discussion Short trainer inputs Interactive and experience-oriented exchange External
